WHO WE ARE

Servo Dynamics is a wholly-owned subsidiary of ISDN Holdings Ltd.

We focus on providing professional, reliable solutions and technical services to local as well as regional customers.

Our holdings company, ISDN Holdings Ltd, was founded in 1986 and listed on the Singapore Exchange Main Board in 2015, leads in Industry 4.0 across Asia. With over 30 years of experience in robotics, machine vision, and motion control, ISDN serves global automation companies. As a rapidly growing multi-industry corporation, ISDN leverages strong partnerships in Europe, Asia, and Australia to deliver top-tier technology and business systems for the benefit of clients and communities.

In Singapore, we are the authorized local distributor of Stratus, a leading provider of simplified, protected, and autonomous edge computing platforms designed to ensure continuous availability for critical applications.

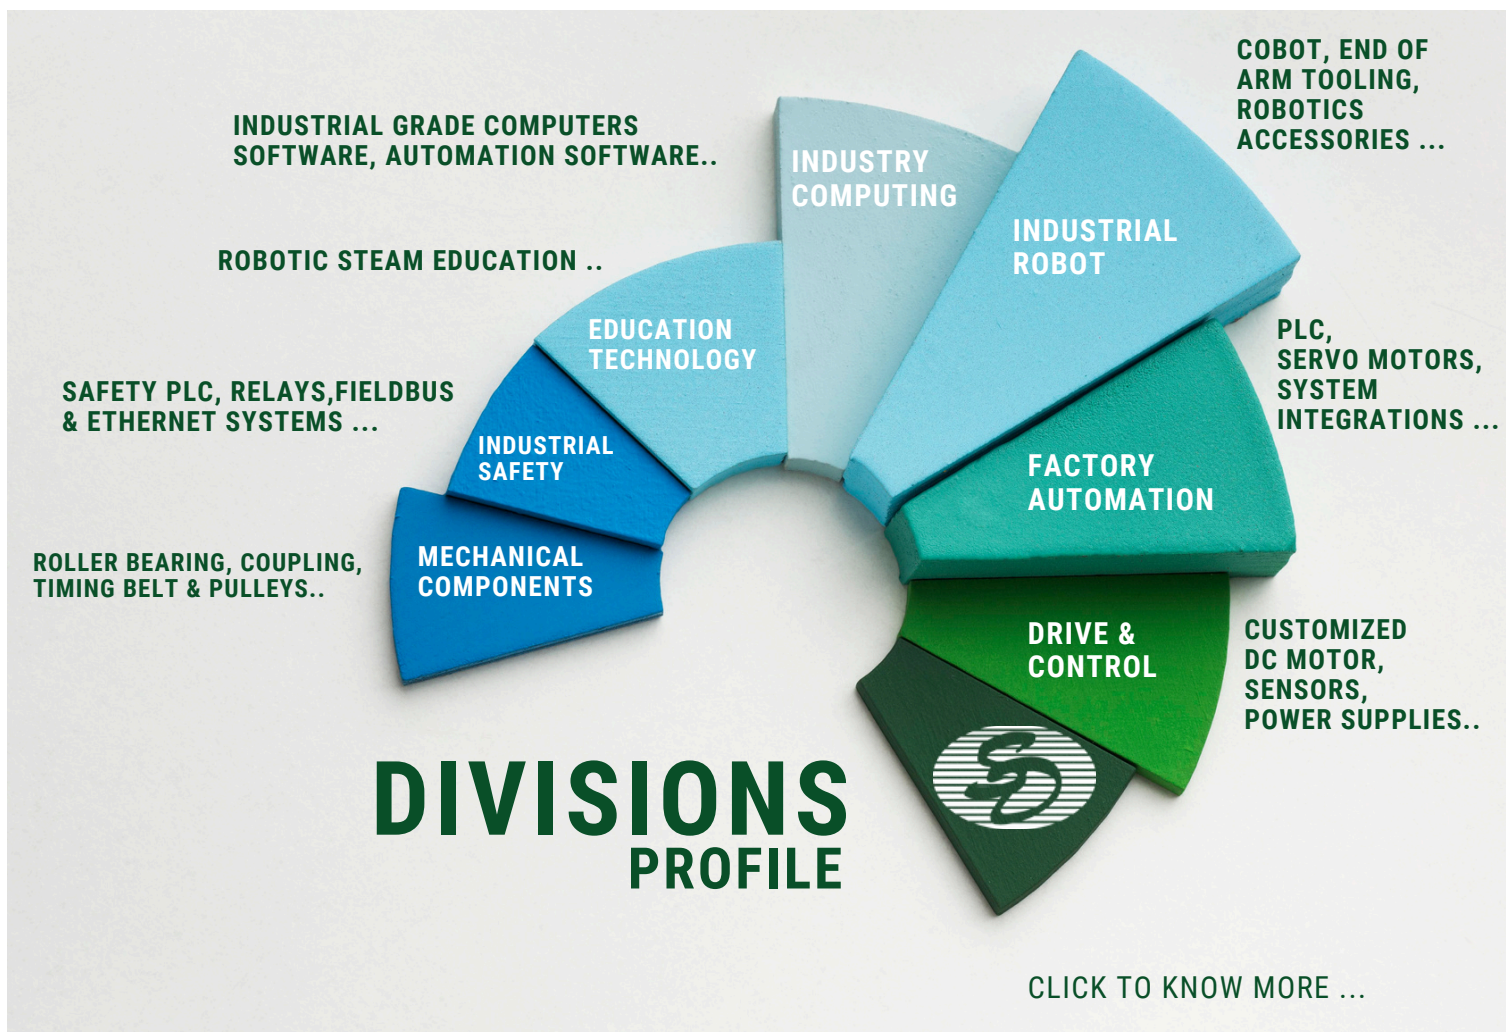

In addition to partnering with Stratus, Servo Dynamics is also a trusted partner of AVEVA, Universal Robots, ABB, and Yaskawa.

We are well-equipped to assist in your digital transformation journey with our comprehensive suite of solutions. Our expertise spans a wide range of cutting-edge technologies, ensuring that we can provide tailored, best-in-class support for your automation and digitalization needs.
